Notice Regarding "Revision of Earnings Forecasts" and "Determination of Dividends from Surplus (Interim Dividends)" and "Revision of Year-end Dividend Forecast (Dividend Increase)"

In light of recent earnings trends, we have revised our full-year earnings forecast for the fiscal year ending March 31, 2027, which was announced on May 13, 2026, as follows.

Furthermore, at the Board of Directors meeting held on November 13, 2026, it was resolved to pay dividends from surplus (interim dividends) with a record date of September 30, 2026, as follows, and we have also revised our year-end dividend forecast.

Description

1. Revision of Earnings Forecasts

(1) Revision of consolidated financial results forecast for the fiscal year ending March 31, 2027 (April 1, 2026 – March 31, 2027)

	Ordinary profit	Profit attributable to owners of parent	Basic earnings per share
	Millions of yen	Millions of yen	Yen and sen

* The Bank conducted a 5-for-1 stock split of its common stock effective April 1, 2026.
Net income per share for the fiscal year ended March 31, 2026, is calculated based on the number of shares after the said stock split.

(3) Reasons for the Revision

We are upwardly revising our earnings forecast for the fiscal year ending March 31, 2027, as we anticipate an increase in interest on loans and interest and dividends on securities at the non-consolidated bank level.

2. Determination of Dividends of Surplus (Interim Dividends) and Revision of Year-end Dividend Forecast (Dividend Increase)

(1) Details of Dividends of Surplus (Interim Dividends)

* The Bank conducted a 5-for-1 stock split of its common stock effective April 1, 2026.
The dividend (actual) for the fiscal year ended March 31, 2026, is stated as the amount after the said stock split.

(3) Reasons for the Revision

Based on the results for the interim period of the fiscal year ending March 31, 2027, and the revision of the full-year earnings forecast, we plan to increase the interim and year-end dividend forecasts for the fiscal year ending March 31, 2027, by 2 yen 50 sen per share each, to 27 yen 50 sen. As a result, the annual dividend forecast will be 55 yen 00 sen per share, an increase of 5 yen 00 sen from the previous forecast.

* The earnings forecasts contained in this document are based on information available as of the date of this announcement, and actual results may differ due to various factors.
